Repair without cost estimate

Repair with cost estimate

Repair approval without cost estimate up to an amount of _____ €

Cost estimate:

We must charge you € 30.00 for a cost estimate that does not result in a repair. If the device is repaired according to the cost estimate, the costs for the cost estimate will be divided and we will charge € 15.00. When the repair costs are less than € 50.00, due to the profitability we do not provide a cost estimate and the device will be repaired immediately.
